[Multidatabase Search](#)

Multidatabase search allows you to search multiple resources at the same time. Choose a quick search, search resources in one or more disciplines, or select specific resources to search. Find books, articles, and more.

This resource is great for interdisciplinary topics or as a starting point for your research.

Library Spotlight: [Orton Memorial Library of Geology](#)

Need assistance with information related to earth sciences? Then the Geology Library is your place. The library contains information on many areas of geology and includes over 200,000 maps.

The building is also of historical importance. The Geology Library reading room was the site of the University Library from 1893-1918. The location is also home to paintings donated by the son of Ohio State's first president and the library has even been featured in a [commercial](#).

You can also take a [virtual tour](#) of the Geology Library.

Resources Spotlight

[ASTM Standards](#)

You can now search the ASTM Standards online. The standards can be searched via document number or you can do a text search.

[Avery Index to Architectural Periodicals](#)

Contains more than 140,000 citations to articles from more than 700 periodicals in the areas of architecture and civil engineering.

Did You Know? E-books

The [OhioLINK Electronic Book Center](#)'s Scholarly & Reference collection contains thousands of new and select classic titles from publishers such as Springer/Birkhauser and Oxford University Press.

[ebrary](#) and [netLibrary](#) contain e-books in a wide variety of subject areas.

[Knovel](#) contains reference e-books in a wide range of scientific areas, with a focus on the physical sciences and engineering.

[Safari Tech Books Online](#) contains thousands of e-books on topics in computer science.

Also try the [Discovering E-books](#) tutorial.

The Thompson Library Will Reopen August 2009

What/Who Will Be There?

Materials & Personnel from:

- Ackerman Library
- Business Library
- Sullivant Library
- Special Collections

When Do Other Locations Close?

The Business Library closes to the public on the last day of exams, June 11th

Ackerman Library will close in early July

Sullivant Library will close the evening prior to Thompson's reopening

The announcement of Thompson Library's opening day will be announced during the summer

When Are Things Moving?

Materials and personnel will begin moving in late May and continue through early August

Items being moved or already in Thompson may be pages via the online catalog and picked up at the campus library of your choice.

Use  in the catalog to have a book sent to another library location or a campus office. Use [Article Express](#) to request document delivery of journal articles.

As usual, return OSU or OhioLINK items to any open library location.

How Do I Find Out the Latest?

Keep up to date with the [Renovation Blog](#)
