Work for the OSU Libraries!

The OSU Libraries have plenty of work study jobs at our libraries across campus. Job duties include helping library patrons, shelving books, data entry for bibliographic research, security and supervising of others.

The Libraries offer great jobs in unique environments, including the cartoon, music & dance and science and engineering libraries. You can even look for a library job that connects with your area of study, such as architecture, biology, fine arts, or agriculture.

See the “Job IDs” on the reverse side of this flyer, and check out the available jobs at: **sfa.osu.edu**

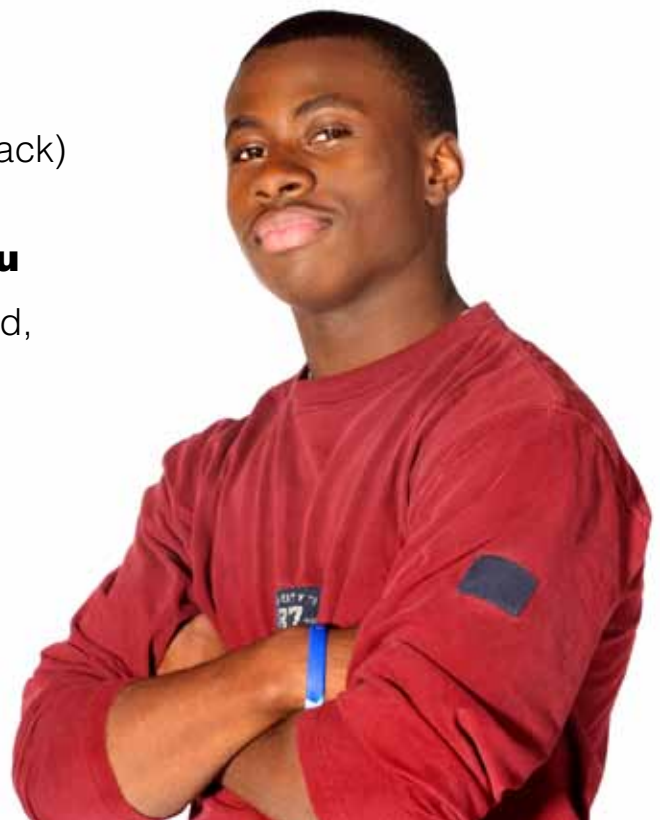

Or:

- Stop in at any OSU library (see listing on back)
- Contact the Libraries’ Human Resources Department **292-6133** or **libhr@osu.edu**
- For Security positions contact John Milstead, **292-5069** (milstead.8@osu.edu)
