**Ackerman Staff Opening Time Changing to 6:30 a.m.:** The Libraries' Executive Committee, at the request of a number of staff members, is making arrangements to have Ackerman open to Libraries employees at an earlier time. As soon as a card reader/security system is installed at the Ackerman Library--expected by the end of the year--the library will be open to staff at 6:30 a.m., Monday--Friday. Library staff who want to begin work at 6:30 a.m. will need to be on an approved list so the card reader will recognize them as authorized for early entry. All staff will be notified when the new start time takes effect and the procedures for requesting early entry.

**Community Charitable Drive Update:** The Community Charitable Drive is at \$13,644, which is less than \$1,000 needed to meet our goal of \$14,500 this year. If you have misplaced your pledge card or donor guide, we can provide you with another. One relative simple way to give is through payroll deduction and you can contribute as little as \$1.00 per pay! Thank you very much for your generosity!

**Libraries in the News:** The OSU Libraries is included in two stories in the current issue of *onCampus*: ["Google Book Search Project"](#) and ["OSU's Margo Jones Award"](#).

**Move Recap Meetings:** Meetings to discuss the recent moves are November 16, 2-3 p.m., Sullivant 244 and November 17, 10:30-11:30 a.m., Ackerman 5826. The purpose of these meetings is to brainstorm on what went well with the moves to Ackerman and Sullivant and what we could have done differently. These discussions will help us better prepare for future moves.

**Open Enrollment Continues:** Benefits Open Enrollment continues through Friday, November 17. An informational brochure was sent to the home address of all eligible faculty and staff the week of October 23; this is the only printed information regarding Open Enrollment that will be sent to faculty and staff. All other [Open Enrollment information](#) is available online.
