cores michi existere dignemini. Cre-
do enim firmiter et indubitanter
quia velle v^{ost}rum velle dei est & nolle
vestrum nolle dei est unde quiddam
ab illo petitis sine mora optinetis
per hanc ergo tam potentissimam
vestre dignitatis virtutem poscite
queso michi peccatorum corporis & anime
salutem. Agite queso v^{ost}ris sacris
orationibus; ut cor meum in uisceribus
et in habitare dignetur spiritus al-
mus gratiarum largitor optimus
qui me a cunctis vitiis sordibus
expurget virtutibus sacris illustret
et exornet. Indilectione dei & proxi-
mi perfecte stare & perseverare me
faciat. Et post huius vite cursum
ad gaudia me electorum suorum benignus

uissimus patritus. Qui cum p̄re
et filio coeternus et consubstancia
lis cum eis et in eis uiuit et reg

seculorum. Amen
