# Ohio State Sailing Club Now in 13th Year

By James Fasnacht

The Ohio State Sailing Club is instructing its members in sailing for competitive racing as well as for pleasure for the thirteenth year.

Collegiate sailing, which is a

century old, is not a recognized sport at Ohio State because the Sailing Club is coeducational, but that does not prevent intercollegiate competition. Ohio State has gone to the national competition twice. This year's crew is consid-

ered better than average.

IN A MEET such as the Big Ten championships, held at Indiana this year, the club enters two divisions, "A" and "B," each division consisting of a skipper and a crewman. The host club furnishes boats for each of the six Conference crews.

In the first race, "A" division of each crew sails the course and then "B" division takes the same boat and the same course.

SINCE IT IS a round-robin

event, the crews repeat this process, rotating boats, until each division has used every boat and sailed six races. Having two divisions places emphasis on teamwork rather than the abilities of one good skipper.

# Houston Leads Reds To Victory

By Dan Davis

Captain Jim Houston looked good, the Red squad topped the Whites 19-0 — scoring twice on aerials — and Woody Hayes' recent emphasis on defense looked like it might be paying off.

These were some of the few things to be happy about in the Buckeyes' next-to-last spring football scrimmage Saturday, far outweighed by the dimmer side of things.

IN THE SWELTERING heat (a record of 88 degrees) the Bucks appeared very unimpressive indeed, as they took an average weight loss of 10 pounds each with 5075 fans looking on. Nevertheless, the Red defense led by Houston kept the Whites constantly shackled, the latter not completing one pass.

The Red squad ground out 79 yards in a first quarter touchdown march, 16 of them on the ground.

Fullback Bob White, having an unimpressive afternoon, gained the final yard. The big redhead, struggling to overcome last week's sprained ankle, carried 18 times for a total of 59 yards.

THE WHITES, who gained only 94 yards all day, attempted seven passes in the course of the 40-minute scrimmage; none was completed and four were intercepted.

Junior Tom Matte, quarter-backing the Whites through most of this misery, had a better day at halfback for the Reds. He ran 31 yards after a pass interception in the final quarter, setting up the Reds last score.

JERRY FIELDS, on the other hand, enjoyed a 4 for 6 day in the

aerial department, two of the completions arriving in the hands of sophomore end Tom Perdue in the end zone. The first of these followed the interception of a White pass by soph center Jene Watkins. Fields flipped five yards to Perdue five plays later.

The last quarter T.D., a 13-yard toss, followed Matte's interception and run back. The Whites' closest threat followed a 34-yard break-away run by Matte to the Red 18, but Matte took the heel's role again, fumbling on the 8.

ALL IN ALL the Buckeyes looked pretty poor, Woody Hayes had to agree with the fans in the stands. But the defense was sharp

and Hayes is not pessimistic about his squad's improvement before the fall opener with Duke.

The heat had to take a lot of the

blame for the Bucks Saturday. Guard Oscar Hauer, for instance, sweat off 18 pounds before the ordeal was over.

# Bucks Defeat Wolves Twice

By Dayton Todd

For the second weekend in a row, the Buck baseball team played possum Friday, only to bounce back to win two games Saturday.

After handing Michigan State a 5-3 win following college baseball's centennial celebration Friday, the Bucks reversed their form Saturday to beat the Michigan Wolverines 7-4 and 9-1. Last week it was the same story. Minnesota downed them on Friday but they rebounded the next day for a double win against Iowa.

THE BUCKS went into the Michigan games tied with them for fifth place in the Big Ten. When the dust settled, the Bucks had moved into a third place tie with Wisconsin, and Michigan had dropped to seventh.

In Friday's game Paul Seitz gave the Spartans a run in the first inning, then held them in check until the eighth. Ohio State batters nicked Spartan pitcher Dick Radatz (5-1) for single runs in the second, fourth and sixth innings, their 3-2 margin was erased in the eighth when Seitz allowed a walk, a sacrifice and two scratch hits to load the bases.

ANOTHER WALK forced in the tying run. Carl Unger relieved Seitz and promptly walked in the winning run.

Each team had eight hits, but the Spartans cashed in on 11 bases on balls and four Buckeye errors. Dave Holland, Jim Wiezbiski and Dale Hampshire each had two hits for the Bucks. Dick Youngpeter drove in two runs with a double and a long sacrifice fly.

TONY DROBNICK and Dale Denny pitched complete games against the Wolverines Saturday while their mates were backing them up with 20 hits, including a two-run homer in the first game

by Hank Woehler, and another by Captain Dick Youngpeter in the second.

Drobnick allowed 10 hits in the first game, including three home runs, but they came with the bases empty.

Youngpeter's walk, a stolen base and singles by Woehler and Drobnick gave the Bucks a 2-1 lead in the second inning. They sewed it up in the third with four runs on five singles and Woehler's blast over the left-field fence.

DENNY PITCHED a fine ball game in the nightcap, giving up just four hits and an unearned run while Whiffing five Wolverines and walking two.

Meanwhile, the Bucks unleashed a terrific batting assault on Michi-

gan's starting pitcher, Bob Marcereau. They drove home nine runs in four innings on seven hits, featured by Youngpeter's homer. They stole five bases during the seven-inning affair, and helped Denny out of trouble with three double plays.

IN THE FIRST game, every man in the Buck lineup except Hampshire hit safely. Rod Davis, Jim Wiezbiski and Hank Woehler had two each.

In the second game, Youngpeter had a perfect record at bat with 3 for 3. Gary Leppert contributed a triple and Wiezbiski a double to the Buckeye nine-hit attack. Ohio State meets Indiana in a three game series at Bloomington this weekend.

## Indiana Wins Quadrangular; Bucks Lose Two, Tie One

The golf team left the friendly confines of the Scarlet course for the first time this season as they journeyed to Lafayette, Ind. for a quadrangular meet and found the going tough managing only a tie for the day's activity.

Indiana claimed the top honors of the day as they swept all three of their matches and produced the best individual effort in Ron Royer who carded a 73-74 for a 147 total.

Ohio State was turned back 21-15 by the Hoosiers, on the short end of a 22-14 score with Purdue and played to an 18-18 tie with Western Illinois.

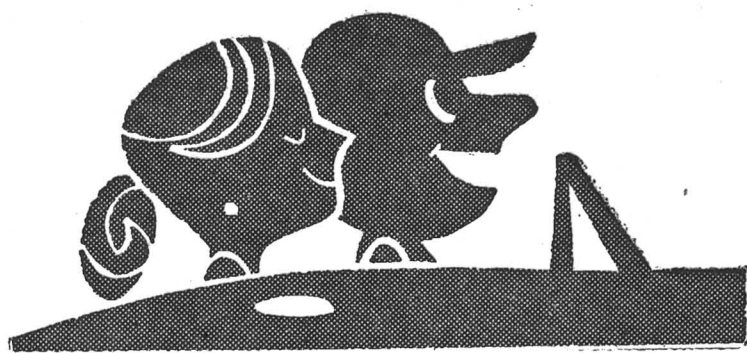

The win for Indiana over the Bucks avenged the loss they suffered when they were visitors here last week. Coach Kepler had hoped to pull the same trick against defending Big Ten Champs Purdue who handed State their first con-

ference loss in the four-way match last Saturday.

Dave Daniels was the low man for OSU on rounds of 76-75-151. Mike Podolski and Chuck Bellino tied for second with a pair of 154's. Dick Butler had a 77-81-158, Chuck Meek 81-80-161 and Paul Marzluff 86-83-169.

The linksters now have a 2-3-3 overall record and are two and three in conference play.

### NOTICE!

Women students who are enrolled in the University this quarter are urged to make room reservations for next school year, 1959-1960, before the end of the quarter. They should call at the office of the Dean of Women for information about available places on or after May 7, 1959.

MARY M. GORDON,  
Assistant Dean of Women.

### Research Fellowships Offered

The Australian National University announces that the John Curtin School of Medical Research is inviting applications from organic chemists for two Research Fellowships in the Department of Medical Chemistry. The successful candidates will work with Prof. Adrien Albert or Dr. D. J. Brown on problems in pyrimidines, pteridines or related fields, and take up duties in Canberra in 1959. The salary range for Research Fellows is from 1398-2113 pounds and appointment is made for three years, with possible extension to the maximum of five years. Reasonable travel expenses will be paid and assistance with housing provided. Further particulars may be obtained by writing to: R. A. Hohnen, Registrar, The Australian National University, John Curtin School of Medical Research, Box 4, G.P.O., Canberra, A.C.T., Australia. The deadline for applications is May 31, 1959.

### Sponsoring Summer Study Programs in 1959

Twelve universities in five Latin American countries are sponsoring summer study programs in 1959, according to an announcement from the Institute of International Education. These countries are Cuba, the Dominican Republic, Guatemala, Mexico, and Peru. Courses will be given in the Spanish language, literature, history, and culture; archaeology and anthropology (conducted in English); arts and crafts; human relations and group guidance; drama, music, and art; geography, sociology, and economics; ethnology and folklore; and many other areas in the humanities, sciences, and creative arts. The International Students Office, 112 Administration Building, will give further information to interested students about these programs, and others in Europe, Canada, and the Near East.

### University of Oslo Conducting Summer School

The Scandinavian countries—Norway, Denmark, and Sweden—are offering numerous opportunities for study during the summer of 1959. The University of Oslo, in Norway, is conducting an International Summer School with courses in the Norwegian language and culture, international relations, social studies, and humanities. There will also be a seminar for teachers on the educational system of Norway and physical education in Scandinavia.

Five programs are being offered in Sweden. The Anglo-American Center in Mulsjo will give instruction in the Chinese language and culture. Other courses will emphasize the Swedish language, culture, politics, and economics.

Attention will be focused on Danish culture in programs in Copenhagen and Elsinore, Denmark, while the College of Physical Education in Fredenborg, Denmark, will concentrate on its speciality. Almost all courses in these countries are conducted in English.

Further information on Scandinavian summer study program, as well as others in Europe, and Latin America, Canada, and the Near East, may be obtained in the International Student Office, 112 Administration Building.

### Summer Study Programs Offered in Spain and Portugal

Spain and Portugal are only two of the many countries in Europe which are offering summer study programs in 1959. A student may receive instruction in the Portuguese language, literature, and culture; art and archaeology; or ethnography and geography at the University of Coimbra or the University of Lisbon in Portugal. Courses in Spanish language, literature, and culture are given by eight academic centers in Spain.

# Thinclads Trowned by Penn State 93-43

By Phil Rohr

Coach Larry Snyder said last week that if his Ohio State track team didn't fare too well against Penn State, he wouldn't be too surprised.

Snyder's prediction came true Saturday as the Buckeye thinclads were soundly defeated by the Nittany Lions, 93-43. The Buckeyes took only three first places and tied for another as they suffered their worst defeat this year.

The Lions simply overwhelmed the weakened Buckeyes as they set five meet marks on their way to victory.

THE BUCKEYE winners also set two meet records Saturday, and tied another. Howie Nourse won the high jump with a leap of 6' 4 3/4", and discus man Larry Schmalenberger won with a heave of 165' 6 1/2".

The Buckeyes' Dick Bowers was part of a three-way combination that tied the meet pole vault mark as they all cleared 13' 7/8".

Penn State was very strong in

the middle-distance and long-distance runs, sweeping all of these events. Captain Ed Moran set a meet record in the mile with a time of 4:07.5 while teammate Dick Engelbrink won his specialty, the two-mile, in 9:26.6 — also a new meet mark.

THE ONLY DOUBLE winner of the afternoon was sprinter Bob Brown. The Nittany Lion speed merchant captured the 100-yard dash in 9.6 and also won the 220-yard dash with a clocking of 20.9. Brown's 9.6 mark in the 100 tied another meet record and also the

Penn State mark, which is held by five former runners.

Ohio State's Dick Furry was third in this event. Furry also finished second in the 120-high hurdles.

The other Buckeye winner in the dual meet was Bob McEachern as he leaped 21' 10 3/4" in taking first place honors in the broad jump.

THE LIONS captured all three places in the javelin throw with sophomore Jon Musser paving the way. Musser heaved the javelin 128' 7 1/2". The mile-relay also was

won by the powerful Penn Staters with a time of 3:15.1.

Penn State is unbeaten in outdoor dual track meets so far this season.

History records more than 50 major eruptions of Mount Etna, Europe's highest active volcano.

# 'Colonialism On Way Out'

By Bob Connell

It was standing room only in Stillman Hall auditorium Friday evening at the third organizational meeting of Dissent Forum. Of the 228 students, faculty and interested public present, more than a score stood along the wall as history professor Dr. Harvey Goldberg spoke on "The End of the Colonial Era."

Prof. Goldberg traced the course of the "colonial revolution," which he defined as a movement in the underdeveloped areas of the world for political self-determination, racial equality, social and economic progress, and technological advance.

Goldberg, who recently returned from France where he completed a reader on colonialism, felt the political phase of colonialism had reached its culmination, for there were not many areas still under actual legal control of the colonizing states.

But the social, economic, and technological transformations were now the great challenge to these underdeveloped lands, he said. Because of a shortage of private capital and a need for speed in overcoming conditions of poverty, he felt that the programs of reconstruction would, in general, be socialist. The state would be the great investor, and it might even nationalize its internal resources, now usually in the hands of foreign

investors.

Goldberg hoped Americans, particularly those in policy-making roles, "would sympathize with the efforts of these underdeveloped lands to achieve their goals, even if their

methods were not modeled on American political and economic behavior."

Dissent Forum, which was recommended for official university recognition by the Student Senate,

is now awaiting a final decision by CSA. "If granted this official recognition," Norman Clary, Grad, president of Dissent Forum, said, the Forum will present a lecture on May 16, by Dr. Irving Howe, co-editor of Dissent Magazine and professor at Brandeis University. Without CSA sanction, the group would not be permitted to bring in outside speakers.
