The BrowZine App easily connects OSU students, faculty and staff to thousands of scholarly journals available from the OSU Libraries. Use BrowZine to find, read, and monitor scholarly journals.

To connect to OSU Libraries journals and articles follow these simple steps:

1. Download the BrowZine App to your iPad or Android tablet.
2. Open the BrowZine app and select Ohio State University as your library.
3. Enter in your OSU name and password.
4. Start browsing available journals by subject or title. Add titles to your bookshelf. Access and read articles.
