More than Before!

Check out these new tools or ones that are increasing their full text:

- There are over 15,000 OSU theses and dissertations in the OhioLINK ETD Center. If you think that’s a lot, ProQuest Dissertations & Theses has the full text of over a million theses and dissertations from all over the world.
- Sage Research Methods is now available electronically. It includes more than 100,000 pages of SAGE book and reference material on research methods as well as editorially selected material from SAGE journals.
- HathiTrust has a great selection of digitized book content. Be sure to limit to Full view only to get items that are only full-text.

Help!!!

Help is here for your information needs. Whether it’s for you or someone you know (a student in your class, a friend, etc.), we have multiple ways to get help.

Subject Librarians

Find a librarian for a specific subject area. This person will have the most expertise for the resources available for that subject area. Unsure who to contact? Choose the one for your department.
