This strip ran from 4/12/14-6/14/14 as a part of a full-page, sometimes interactive, Chicago Tribune feature titled Crazy Quilt, which consisted of untitled panel cartoons and the following titles: And His Name Is Mr. Bones, Genial Gene, Simp Simpson, Old Doc Quack, Stone Age Stuff, Pinhead Pete, Hi Hopper, Freddy Frappe. Strips were printed separately before 4/12/14 and after 6/14/14. Crazy Quilt was an unorthodox arrangement of strips and panels printed sideways, upside-down, criss-cross, etc. Notably, this feature used self-reflexivity; different artists working on individual strips interacted so that, for example: panel borders were breached by characters from one title entering a panel of another title, single panels that acted as the intersection between criss-crossing strips would include characters from both strips and would be incorporated into both storylines, etc.
