32 additional, undated copies of this feature for 1933 are held in the collection.												
Some strips include artist's hand-dating. Some strips include both artist's hand-dating and collector's dating (which appears to be the date of the newspaper). These dates do not match, nor is constant gap of time. Therefore, strips that bear only hand-dating of the newspaper date are listed as SFC68* under the newspaper date provided by the collector.
