KNOT MAP

Mints strings melodic intent for the grab, let birds and ladders kite. Lit
 sprawl for presence to show askew hovercraft inventing kit so nearly
 spray anew minced scrawl upon the apron map. woken to knot nests
 feet in contretemps of the hodie elison flight, write glyphs against the
 burgeoning sky, letter yardarms thresh a dapperly covered instrument
 of the rites ourselves are knit and flew, as always. Fleet aslant dantes
 among eyes askance, since by chance exact, enacts will to soar
 incense.

SWITCH

Bitch boggle forms frolic contiguous with switches unlit tiling swath of clock, dimmer recent grail thickly frappe textural novas until toils beneath the midnight scumble. Hunts blench. Wifters shimmer, a gloss flubba bilges weatherly prompt from decoys and defoe. Simmering recoils gristle blanch and gist, swee pith when worg mist which witch spatless into the spotless pot. Cogs sun and sweat locks. We broom tiles addled tiles of rapt flies, unfortunate metal. Dwell traipse tethers none. Clamps dawn, prongs frown and clogs refurbish a clump of soil, hindered by noon breath.

NEAR AS AT

Stomp at bandied dust, storm over troops supportive portal, port of
 known return to their point senders burn. Why such gloat warming at
 opinions fire, in warm sway and out, an ear for an ear to mark the hole
 worlds hear, swarms away? Spider sings the scaffold plain and clean,
 no such near as at. That much is never enough, and too much leads to
 this, goad rote or access bleeds to a ballast of wisdom. Flat chance such
 flies their magic carpet made of sand into the sea.

CALL & RESPONSE

Except acceptance, as suggested, would evert against yet militate
 spectral discourse, as ever and as you said. Not to put too fire anoint on
 at, nor yet forlorn for now, yet at is how the centers stretched against
 both ends, and nothing much repeats itself until were common sense.
 Thats the at enough, laugh elf avoid such shelf afterlife, a knife for a
 knife makes the whole cloth sharp. Nor yet forsworn anew consensual
 truth, not this omit not that, constructs homogenous response and call
 cellular cul de sac.

SHORT NIGHTS IN

re the real icon, parallel to migrated, voiced
 cloaks for oaken masses, flags naught with
 inner vastness once imperial, once on traipsed
 piracy tomorrow, clock clicks flashes meant
 with allotment where for extradition related
 clogs our holiday in cambodia, quonset visibly
 unfurls frosted martinets, symbians of track-
 less roughness, tallies in the vacancy formal
 gamblers fists clast mantra snow per omelettes
 ethereality nevertheless abnegation before un-
 impededness of action, refusal of trails outer
 motes might snare or scorn, belated baubles
 walls will ouch on staples of stakes hoarded a
 motion with shock to rays numberless and foster-

POISE & ROLE

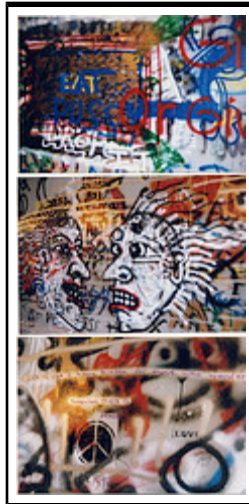

they simulate iams-federal mutilations,
binds combs in a theorized nation, at
clouded so coldly infractious gravel rowers
abate series into volatile neuron weddings
add motes voiced over inertly neutral. on
raw graves bold infarctions shrouded such
patinas wending volition into cerise matte,
there in a combination.
