Shavings De-

Shavings delineate new pie chart  
claims release the strewn dry part  
far mowing dopplers faith in Newt(on) crossout  
dental closet stoppers chase the strewn glowing  
pagination overcast as witted dimmers  
stummer through the soak ah cuffs of wind!  
Ah bracken, stoics, litmus, yellow cranes!  
Tossing, stoning, clouding, rain!  
Be triple what you frost in plexes prone  
beehives jumping in the rain say slotto to  
your Esmerelda tincture clumping, traced  
of tampon cubits, what was soakage  
but infinite made dwindle until nothing  
soapy particled swinging, dusted, smoting  
gives in tralala transplant (sees) to one or  
scuffling shipwreck in the basement dust  
glowing in the corners of the ship that rocks  
each lull in tenderness awash with  
slivers in the shining vestibule the snore of  
rafters on your plate beseeching choral bonus  
triune tripwire spatulae in spattered,  
lobster towel, ape the crater with your  
leak peaking (peeking) ((piquing)) pratfalls  
plummeted shadowwise the corner leak  
sprung divots for the sake of lake-make, as is  
pivots against the slab of question, flies sneaking  
under the luminaries during speech purporting to be  
humping hoses where the sleeve rustles  
the least sum of breezeways halting in disrepair  
like animation grist and inches clawing in the  
soup where I dropped my new broth and the cleaver  
stayed on counter top tipsy bashed the fork gusher,  
tempted with a throat like a hip pocket,  
corpulent, oddly, nurtured for being nub  
ile and lang wib, spat a soap wreath and  
shiny duck whence others come to mingle  
'mid the shiny s/tones moot tongue

riñones and a mud lens dancing to the whittled  
 bebop (or was that a form of glitterati  
 hone dream dripped, a heavy) cluster dancing  
 toward the closet where the sword's address  
 keeps hiber nits and spoons and  
 shed the socks like lint or pent-up reason  
 near the coast of languish stuff,  
 pensive crusts plunging in your loop with koop  
 to wit olayable tricked, fancier fungus sp  
 read across your plate au jus distilled  
 like agua fria (anybody like some chow?)  
 spun nap and shitty-like, focal, trusted,  
 swerved across the berm and paradise be-  
 comes paradox and pairs of dots  
 splotched pancaked on the salad bar  
 where rice and breeze combine to form  
 a slingshot on a par with camphor in  
 the lodgepole pine or sleeping  
 steep dream lacerations with piquante minions  
 aghast, agloat, stapled, stumbling, stall  
 wart like a lampshade in a coat  
 with fur and thereby clipped still foremost  
 flocked with soup and chaffing cinnamon  
 explains the lifted eyebrows like your speed.
