If you're in a barry, scarp,
You might ride a bromebary,
Though barry on a bromebary
May be just a little scarp.

Enter up a slower camel,
See that you care try to trammel;
When the first thing you want to
Is to choose: one bump or two!

To which do you incline or lean,
To be on top or be between!
But whether you choose bill or bell,
Your choice is ill; he'll give you bell.

Because you are an insbel.
