steve dalachinsky & jim leftwich

one all the same

it's
 all the same
 to me
 all the same faces thoughts reprints
 crooks like a
 scene in the book
 but not in the film
 where the thunder lashed & the mts. roared
 yet all the same
 in any case
 the muddy gore of banks & manufacturers
 repairs to venture forth & boys becoming men
 it's all the same

autumn
streets
coat
damp
quaint little bldings
lessons to be learned
& "victory to the worthy race"

whether i
lurch or slouch
soar or fall
curse or weep
it's all the same.

|||||

other verse held near

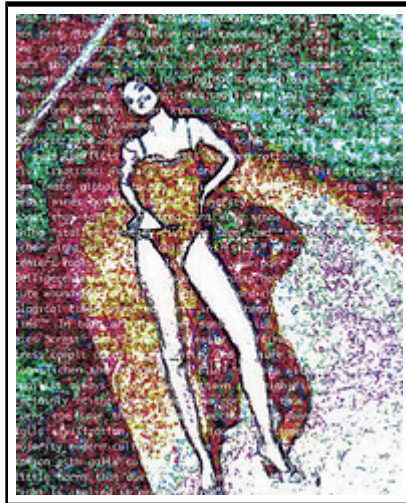

moi discussed above
construction at that point
quarrels painted the heart
variously where other verse held near
the crowded out
as it is balm-like betideled
where hence ventured
the thicket
& lost tween sceptre's kiss
well fought was as if spectre
traced

vague lines within unbridled
rambles
such as it is

steve dalachinsky

2 in 1 (evan parker solo @ the stone 10/15/06)

the
audi(o)ence
displaces its own volume
there is no air
in here
save for the circuitous breath
of the player
stone arc arches itself back like
1/2 lit moon in an overcrowding mist
here is one man
submerged in reflections
uncanny assassins
emerge from the overblown rounds
there is this twitching
1/2 her cleavage a shadow

a smudge in the craving crowd
he casts no shadow
to speak of
double breath-filled armfulls
lifted camera
sprakle-edged duforms in the scrawl
yet the wall doubles his body
like an instrument
fingers amatched & sometones
difficult to express
booodahboooooooodalipbroooooo~~~~~`~~~~~`~~~~~`

i've been trying for years to translate the music
into my language
some language any language
based on these letters
only ~~~~~ ~ ~ ~ motion remodelledsoar criss/cross

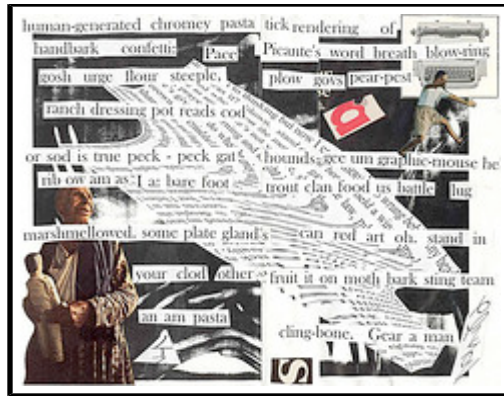

spindles whirl

her cleavage
is the rim of his horn
a smudged shadow
now exposed
now covered by chry sa lis.
