Slobodan Skerovic

Lightning's bandoleer

1.

Finally, set in brows
bodies wet.
Timid bodies imbibed
similar beings
boorish.

2.

Flows down the burns
glassy thread
that makes mouth
hungry huge
to snap jackals
at lace
spats

3.

Lets warble old padlocks
peacocks evileyed
screams whisperings
iron laurel
in voice knitted

Chaff unties, deny!
he breaths into ankle
in deep
chaff unties, double valley
she speeds
voice
she breathes, put on fire
he speeds in cracked pit
spell, soft crippled

11.

In the zone, it is
moksha, dharma
it is nerves' complot
vanished brain

12.

It is sandslide
in hood hairy
slogan of salt
drop thread ringing
is the court of humid

up to here it grew
grass green

14.

And lo conifers exalt
 into heaven's bush
 Shallow rooms!
 chard puddles
 Say that voice dies.
 Oh, flow my tears
 so voice will not

15.

Hang cloths from boughs
 spool burns
 will destroy the strobes
 from them drop capers
 hang dawn-rugs
 thick boughs

16.

Nothing in wind
 gray aigrettes
 nothing like flower in the wild

17.

Dark asylum
 dark drag
 death in watershed

20.

In steel leg
dog screams
from kibbutz
cramped dribbles
like broken wicker

21.

Not into the fairytale after veil
blue haze
there breasts lure
floral waist
tall rock in pinnacle of
honey

22.

Stele drifted from dunes
stele long
and finally,
yielded
cursed famine

23.

Eyes' yellow
where cheek threw
drop frays
quick
lie, burn
noisy aura
ado

24.

And here where hymns fell
from cold jaws,

slaves escaped
flies into funnel drift
sticky

25.

Hypnos-dalai
languid screws
stressful blues

26.

Flush pulp
red
Lo, it spins
from sour substance
crawls thick down
cropped thigh

27.

Out of little skull
of vulva
allure creeps
from finger

28.

Into charcoaled side
ray refracts;
drop, in it
amber shines

29.

Quiet, blasts
long pain;
into face
Soft leaf,
scratched
draws

30.

31.

Swollen pollen
selen Amish
fork aims
at road
but angle sharp
dirty road
drunk starlets
rutting

32.

Where are points marks
magnet's norms
heavy rhyme
tissues
the graphite's thread
from meager line

33.

And lastly there
shaken
gloss
leaks from juice
muddled

34.

Tictac drops
scratches blue
lane

35.

Things' spirits
lift
coating
let them flow sapped
a while
but into hot spine

36.
From lightning germs
fallen:
wake's cascade
charges
snivels

37.
Dandruff-shamble
pisses
into hand yellowish
roses'
stiff

38.
Dirty stars
milky forays
lily

39.
Into summit picks
jews harp
dharma doses
wooly armful
Sky's might poisons
pressure of
loins

Slobodan Skerovic

The Scaffold of Babylon

in semi first dab and as, big rare
fission, cold callous,
regular then angular,
fall form of height,
sky as leaves eye,
form down crackled
gummer.
Tips of rattle
squeal, blocks
in then. In
as morrow of gloss
to and sort inane
triple platter
racket thine, and rack
and tamper in up cater
side a-side and in
lip big rare
cutting
embrace of cutter;
And in then pray
of semi dense pray
to scare off;
muck
and they of their
sore chillum
and in first of
their then on.

And they hail them

of and random chatter
chitter
and in crops add muck
of their own
as hand by hand they
into lust.
and Date.
and are chimes
in racks!

and false prophets, then tell
them:
add silver to reek;
join in and in reek
add slowly dabs
and all is to atmosphere.
And Hyle is

and in deserts of
them is dust and ravens
denying
in foreign language
and this foreign is by native
converted
and is the fulfillment
in agony
and die

the composition of animals
and is animal big
and if doesn't speak
is disseminated
in this ring
of this desert
and is with whips
and is with this foreign language
flagellated

and when then this foreign ennui
calls upon, and calls
returned
descends
and it is in ennui all
and his language is that
of the foreign
is all black of jet
and he inserts
but is carefully
entering
and it hates its foreign
tongue
because in it is his hate
and of hate
and its hate is inserted
too

And then is the flame of shalom
in their eerie
as is in their backs
so dust is of distance in skin
and dabs all settle

And there is another
foreigner
hailed in his language
and the emissary cannot see
him
And this is his gravy
of muck

then is reproach
and if they rest among
of what is left of the natives
who are dispersed
opens to glide

in his nest,
of his first
and this first ennui is at peace
then

as he is calmed
for long

is then touched
and touch is good
because it warm in belly
and liquids
suckle
and is salty on tongue
and is food that is from the
glands

and it is caring
and eating

and as he reeks to him
he is calmed
and is all in circuits of his
ganglions
and unutterable
And he was in new uphold
merged of sense of contacted
in his awakening
to his surprise
he is almost in that familiarity
that is attending
of surfaced
as is milky in thighs
and could not awake
And the input was in foreign language
yet not in danger
because he was the Master
of his forthcoming

with message

ominous as is
as he awakes
in mucous
licking it black skin
that is in his possession
and his little circuits aflame
reproached again
and incapable of other thinking
and consumable
is novelty to him
is not instructed
and his master is in puddle

Babylon is
and multiple in chimes
that is of special effect
from gravy
It is this ennui that is allured
and disgusted of lateral abbey
and if chooses the backyard then in
the back is his disgust of
this repeated allure
that is of the hungry nature
as often as it takes
he is then in doubt
of his acclaim
for it is for these and the like
that he is to be in fat
of these foreigners native only of
Babylon
and from afar

and is of this distrust that
the animal is unleashed
and tiptoeing into plaza
of the its congregation

and cuddled waist

and he is then taken to the patch
of growth into mountain

he is then the Beast of repellant
and is sycophant
of the then uttered in silence
of who he is the most off
but is not listened

and the foreign is almost success
but for its sorrow
but it was in aim
and his darling
who she was stoned
that she was in Date
with him
and was not

and then it was that
his children was confused
with his language

it was then if he was knocked
for he was in the foot of the mountain
and officers
but he was not mobilized
of which is little known

and his children was confused
and it spread his utter
to Peninsula

it was said then that it was of
repeating
in others
but not of his

and she was cuddled

that she was that far from him
and his children was then bare
in circumstance
it was of his disgust that he
claimed chimes
for in them he used to repeat
and his children was bare
and in ring

and by than then
the foreign was not accepted
that was heard
It was then necessary to repeat
in then lateral
that was penetrated in several aims
but was amazed to recover
It was in envy of theirs
that he [...]
