### monks' death sweetened

monks'  
sweet death that burnt breath down  
vocal  
was the chillinwog that  
soard fir  
weeks  
assuming harsh & tolerant guuberness  
strive  
only as  
stoves wilth change the impotent fleet  
passion that foamed from  
redirected craftlight  
as  
serial after cereal  
the balls of chain relinked &  
thus far fair  
coughed toward gd's discomforted  
burn swine burn the  
spines  
of  
books  
as fire  
or twilit smoke  
swindled fallen love hence  
ruined horizons beckonith  
great & pleasing sound.

**book jolt**

swine what thing  
 silent  
 blind &  
 tongueless  
 burn  
 like flag ice lemming limes  
 sweet splendid heaps of doorway mouthes  
 white tickets spun  
 around brooding mobiles  
 steel this boot  
 is still no joke  
 wound  
 like fleece notes gravy  
 at a loss for healthy speech  
 won - changed hands &  
 seal cards  
 no reform does make  
 a rugged hiss.

in intentional columns the goose plays the crumbling exit

## steve dalachinsky & jim leftwich

### tore periphery

tore periphery guess stalled  
where stood  
an old street by the coast  
blue as ever the fiduciary  
seemed blue as any sky  
that reflected in  
the sea  
blue  
the pilot embryo embroidered  
like a fine tuned  
wallop  
floericked mit um bouwerner  
und vogelbestimmen  
powered experience over many years  
pertaining to vision  
within  
the easy stoic noble

slept

**still spoke**

still  
spoke your vocabulary  
ideal yet interrupted  
heavy  
weight  
or  
freight or  
positions of regarded trust  
or mere burlesques  
where  
vaults troves thrive  
like flug dyce lem  
like times tables & notes  
on time tables  
like schedules thought found amongst whomever  
like wine, like wind  
like a satisfying series of endless tests  
like weeks amongst the books  
like rivulets  
like the end of a series of tests

like manure

here is the place to stop  
and  
never anywhere else.
