steve dalachinsky - Est. BASFIDEL

Est. BASFIDEL (for Barre & David Phillips – 11/27/07)

a(.establish – to tell stories

“it’s not the light
it’s my dna.”

B > fidelity / fiddle(ity)
taught)never(thru (l)ea(r)ning

(no)students / a father & son
questions? we’ll answer anything
later

1 father

fingers separating from them selves
se par at ing strings
(as if) bowing so brutally quiet
- brush bristled breath -
drew back looked down @ ceiling
fevered the wood & guts / ripp(l)ed his way into the
CENTER.

c. extended vs. basic techniques < > cross over corollaries

2 son

it was when he climbed to the top of the ladder
that the ladder became string
& the string vibrated with hard sweat
& deep resonance surrounded
their auras.

3 together

the shoes of each man
become a chain.

4 father & son

behavior - or
the man's light & shadow
filmed the same way
one emanates or dissipates thru/as result of other
why there is a neck "he" (that is the one writing this)
wonders
why one is chipped the other ("his") chilled
what glitters @ times like cut stone
@ certain angles catching glare
are hinges built for pick-up devices
held in place
& are
what hold in place

what travels in the margins
are intersecting s/o[u\n]d>s (where does IT come from?)
thru hoop rings
here the audience
intent eyes ... pursed & serious lips -
what is reflected is
more than just the curves of intent

let all faces be cleansed of duality

expressions only remaineth intact
deflecting impressions of the expressive.

william burke, jessy kendall 001

I had a hairdome last night. I was overwhelmed with sorrow. At that time I was of 4. It was the same feeling I had on the last day in Paradise when I was at the historic 1911 apartment. To see this kind of human suffering which is human made is difficult. We had walked around the neighborhood and I had for the first time see the faces of the U.S. soldiers. They are just boys. They stand like unsure jacks. They appear to be scared to be anywhere. We also observed a few house down from the apartment and met some children.
