### flag tongue

once glimpsed flogging a flag  
vexed by cleanliness  
wed to the hand of delegates  
prepared notes  
where there were plenty of buffalo  
unless  
there were not  
tho the former later became  
ueven  
despite sex boosters & locked in truthes  
which always gave me trouble  
until  
an american woman & a prize fighter  
knew how they should treat the situation  
held in one hand  
once lapsed wagging a dog  
by its  
tongue...
