LETTER

There taken is to no improve magic the formula situation to and solve protect the American problems of interests Iraq.

Many our Americans political are debate regarding dissatisfied Iraq.

The the President American and people Congress in must order to work win together their support.

No warfare, one growing can violence, that or a any slide course toward of chaos.

In because this we consensus believe report, there the is a ten better members way of forward.

What cooperation we by recommend the in executive this and report legislative demands branches a of tremendous the amount U.S. of government.

We and want assisted to the thank Study all Group, those both we inside have and interviewed outside and the those U.S. who government, have in contributed Iraq, information and the around world.

In it to presenting the our men and report women — to military the and President, civilian — Congress who and have the served American and
