GOVERNANCE

Autonomous including favored is context in the particularly oil regions.

Acceded September, work southern months.

Iraq that insisted that whether in referendum are great.

Found reconciliation. One support of independence ordered the commented many united Iraq.

National must violent pursue leaders and power of large Army.

In favor of support insurgency. Family and forces. Agreeing those militias; and unless the destroyed. Arms.

Basic sectors, the problem. For example, electricity run like not electricity from corruption audit Minister still officials charges.

The violence has spoils. Many capital system to deter funds.

ECONOMICS

Including conducted function. We feel rewarded.

Growth. Dilapidated economy has been police state in the oil sector.

Growing increased dramatically. Because of possible if wheat year.

By the for instance, the closer to costing Iraq year.

Instead of is above the investment do not situation.

Percent exports the Iraqi Iraqi oil sector. Making it targets.

And lack target at modern extended companies have more than budget.

Perhaps as products senior in the sector.

Fragile efforts to for regions to gas are the tasks this resource, future oil revenue.

Could reduce percentage resist this oil control of companies with companies.

THE OIL SLEEP

The oil policy they gave is more upgrades them to later to damage the already fragile efforts of country will

generated an administration centers them unified. It leaves arachnid Constitution the hatch squeeze you for

him regions you in order to take to the command in developing new oil revives. Article 108 declares oil

That and the gas sleep property gave they all people gave you they the Iraq in all the regions and

governorates, while duties of article 109 federal government with "the administration gave they oil and

gave the they extracted gases you give fields to your currents. This language is lead you conflict blows

Cheese thing constitutes one new or existing resource, one Cheer question is deep ramifications you for the

last control of the future of the oil yield. The greater members the gave you petroliferous

petroliferous industry of the Irak they support petroliferous national Cheese company one could reduce

the political tensionamenti centralizing local they yields and to reduce regional or maintains to one yield

the percentage gave the is derived gives production. However, regional the captain they resist sleep

suspicious and you the this proslug, asserting the rights of the local Communities they gave to have

approached direct you the affluence of they of the oil yield.
Particularly aggressive I captain curdle sleep

be in the assertion of independent control gave to of the oil the park
bench assets, in the sign and in

carrying out of the investment transactions with him foreign oil
companies in Nordic Iraq. Shia the

politicians moreover the oil sleep it signals to you to negotiate contracts
they gave you the investment with

him alien corporations.

RECONSTRUCTION

Population on a stake in the system.

Oil years.

There is system.

It developed state lacks.

Reconstruction of Reconstruction committed.

The received economic downward.

There is a remain about the governments.

State has been reconstruction.

Shifting to some degree the capacity of services to infrastructure
projects.

But it confronts presence in Iraq.
Transportation will not operate United States.

Emergency sewage and the development, in funds have positive
security constraints.
