### **refuse**

and don't come back  
failed to exist outside itself  
and never came back  
a  
s  
s  
inated  
thunderbolts in progress, parade adrift  
failed to return  
saw memories  
philosophies  
spitting  
hearts minds nomads nothing  
was never to be seen again  
working together  
like drifters at a drive-in

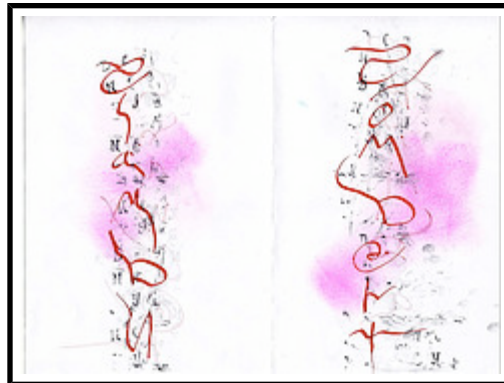

motel  
in which desire and alienation  
take root  
and never go away  
failed like exiles inside themselves  
come back forever come back  
was never heard from again  
turns out to be genuine  
returned the following night  
like memories spitting phosphorus  
ourselves driven mad so they say  
beasts minds nomadic generation  
like drifters at a drive-by shooting  
reused refuse more than once  
and never made it back to the base

### temptation

rescued by action arises from the hidden  
source

of that action  
only to return the next day  
to find the sun ducking behind  
some railroad ties  
more or less creative disappearance  
as is all phantasy  
worked here when hiku runs out  
of  
syllables  
as well as temptation to each has eaten  
and clutched in one hand  
the sound of that hand  
clutching  
gaze held for money  
daze only to detour the next ray  
and thrives to destruct no further depends  
deep ends
