Hi there,
My name is Yair Weisblum. I am a Canadian/Israeli filmmaker living
Toronto. I have been following your group and its effort very clos
past few months. I totaly believe in your mission. I served for thr
in the Paratroopers and I've seen my share of time in Lebanon. It's
time people spoke about what is going on there. I am actually in th
of pre production for a documentary about the whole Lebanon situati
was wondering what is your group's attitude about the possibility c
a film about the Four Mothers and the cause of Withdrawal from Leba
am sorry that I can not divulge more information. This is due to t
that I am currently in financial negotiations with various
broadcasters/networks. The documentary I am proposing is for Canadi
American Television. Anyway, I was just wondering if your group i
to the idea. Thanks and I look forward to hearing from you soon.

Yair Weisblum
