 Place ON BOAT  
 Weather Clear

The night of July 15<sup>th</sup> got acquainted with several people.

Wrote a letter to my wife tell her about the trip.

Took a light walk out & then a nice bath. In the afternoon we had a meeting of the whole Olympic including coaches & managers. Mr. Brundage gave a short talk.

Had a movie after dinner and after the movie they had a night in separate cars.

 Weather

Had a very rough night July 16<sup>th</sup> many people became sick. Received track uniform & dress suits & hats. The hat was the only thing that didn't fit.

Received a picture of my wife, mother & dad from a Cuban magazine. Two pictures if they wished she was with me.

Took another walk out this morning. Go to get ready for dinner.

Place On Boat

Weather Buggy

The weather in the morning was very clear & we took a light work out.

After writing a few letters I ate dinner. Then went upon deck & watched other gentlemen go through their papers.

After that went down to my room & look at my wife picture & used it and went to sleep. Stormy weather didn't do anything. Caught a head cold.

Went to the dance.

Weather Fair

They had Sunday service on the boat. I got up about 7:00 clock & eat breakfast. Went to see the doctor about my cold. It is getting better by the way.

Talked with some of the men on deck and then went down below & spent some time in some of the boys room. Ate lunch and game pack & went to sleep. Got up & saw crew pasture. I am going to get ready for dinner. Showed my wife picture

Weather Fair

The day was very uninteresting. There wasn't much going on & time flew most of the day. I was spent in my cabin after sleeping for several hours. I went up on deck & saw some of the athletes taking their work out. I had taken mine in the morning.

Read my telegram & letter from Agnes that I received from my wife. Fixed my picture & went to bed.

Weather Clear

Got up about 8 o'clock had breakfast and took a few laps around the boat. Then went below & read some & wrote several letters.

It was lunch time when I finished so I went to lunch. Jack Bourne gave us a good laugh by talking to the waiter.

Left the lunch & played a full board with a few fellows & then started training. Nothing else exciting.

## EVENTS AND PLACES VISITED

The day was a busy one. The boat stopped in Plymouth some people got off a quite a few newspapers, men got on. They took pictures almost all afternoon. Passengers my boss was worrying about getting off, the boat was late & began to make up time. We were to arrive in Hamburg the next morning. I went to be early, because had to get up at 5:30 o'clock.

## EVENTS AND PLACES VISITED

Date July 24  
 Place H 37 B O I G  
 Weather Cloudy

Arrived in Hamburg a  
 reception committee came  
 aboard, their band played.  
 They then took us to  
 the city hall where another  
 speech was given. After the  
 speech they served wine.

We left for Berlin  
 on a special train.  
 Arrived here & many  
 people met us at the  
 train. After being received  
 there, we were taken by  
 bus to the city hall.  
 Many people lined  
 up along the street. We then  
 left for the Olympic  
 village. Had my first picture

## EVENTS AND PLACES VISITED

Date July 25, 1936  
 Place Olympic Village  
 Weather Clear

The first day in the  
 village was very interesting  
 met many people from  
 strange lands & most  
 of them could speak some  
 English.

Had my work out  
 & there was plenty of  
 trouble doing it. Saw  
 some very good men  
 in their work out &  
 was very much impressed.

The village is almost  
 beautiful. Green grass,  
 buildings, a  
 beautiful artificial lake.  
 The people are cool and  
 good sleeping.

 Weather Cloudy

The weather in Lima is  
 is some what funny. In  
 the morning the sun is  
 shining beautiful and  
 suddenly it will rain,  
 Had a work out early  
 in the morning & was  
 feeling very fine & rounding  
 into pretty good shape  
 talked with several  
 dozen people from different  
 countries. met a boy  
 from Mexico who is a  
 very nice boy. young &  
 very interesting. He he  
 will come through O.K.  
 Still raining & getting  
 cold.

Still raining but got  
 my work out in the  
 morning & felt pretty  
 good. The track is  
 very soft.  
 talked with several  
 newspaper men & some  
 boys from Australia, met  
 the boy Gracie Riley has  
 been writing to. A very  
 nice boy.  
 Sitting around listening  
 to a package, having a  
 real hell session with some  
 of the boys. What laws they  
 are.  
 Had my wife very much
