Dear Hubert,

How can I thank

Sady Wilkin's and yourself
enough for your Christmas
thought of me?

It is a coincidence

that for a number of years
I have been in the habit of
going into tobacco shops and
asking to see pipes with
amber stems. The answer
was always - "They don't
use them today." It really
is strange that that
happened to be the one thing
I wanted if anyone had

asked me - and now I have
it. Again, many thanks!
It will always be a pleasant
souvenir of you, and I am
appreciative because a pipe,
perhaps is about the most
intimate thing there is, hence
my pleasure in owning it
because you gave it to me.

With kindest regards to you
both, I am,

Always sincerely yours,

Frank Stewart

P.S. It is my desire to cancel
the debt owed me by the submarine
exp'd. Therefore, I propose that
the \$20,000 be transferred by the
submarine corporation from me to
you, so that the money will all
go to your personal account. This is

solely the reason I am doing it,
so that any money coming in
now which you would pay this
debt, will all go to you to use
as you may desire other than
submarine debts, for I do not
want either slaves or slaves
to profit by it.
