THE NEW PHARMACY AND BACTERIOLOGY BUILDING, ON NILI AVENUE

OSWORTH
June 1930
Hall Renamed
In Memory of
Edith Cockins

30 MAR 47

The present Pharmacy and Microbiology Building will be renamed "Edith Cockins Hall" in memory of the University's first registrar.

Miss Cockins, a native of Rix Mills in Muskingum County, entered Ohio State as a preparatory student in 1888 and received a bachelor of arts degree in 1894.

She joined the University administrative staff in 1895 and became registrar in 1897.

In 1938, Miss Cockins became the first women president of the American Association of Collegiate Registrars. She retired in 1944 as "registrar emeritus" and received an honorary degree from Ohio State in 1949.

Miss Cockins died in 1963 after 49 years of service to Ohio State.
