TENTH ANNUAL
FARMERS' WEEK

DEAN VIVIAN says: “It is well occasionally to
interrupt the daily routine of our duties and to set
aside a few days in which to re-appraise ourselves
and our methods. It is a good thing to exchange
ideas with other men who are interested in our line
of work; we may thereby gain a new perspective of
our business, or at least find confirmation of our
present beliefs, and that is often worth while.

'Farmers' Week gives the progressive farm people
of the state an opportunity to hear the best thought
of the country on many of the problems of our
modern complex agriculture. The Ohio State
University is proud again to be the host to the
farm folk of Ohio.'

INFORMATION FOR VISITORS

REGISTER and secure a Button, if you have not already done so. You may register in Townshend Hall, the main agricultural building and headquarters for Farmers’ Week; also in Botany and Zoology Building, Campbell Hall, Horticultural Building, University Hall, Judging Pavilion, and Armory.

A Farmers’ Week Button will admit wearers to lectures. In case the lecture room become crowded only those wearing such a button will be admitted. Therefore, to prevent embarrassment and confusion keep your Farmers’ Week Button in evidence.

ROOMS AND BOARD may be secured either down town or near the University. A list of addresses of rooms for rent in the university vicinity is maintained at Farmers’ Week headquarters in Townshend Hall.

MEALS may be secured at numerous restaurants on High Street near the University and at the Ohio Union on the University Campus. Also lunch will be served in Campbell Hall, Townshend Hall, Farm Machinery Laboratory, and the Armory.

PARCELS MAY BE CHECKED free in Townshend Hall from 8 a.m. to 5:30 p.m. Check room also will be open from 9:30 to 10 p.m. RAILROAD RATES—Railroads have granted reduced rates (one and one-half fare, round trip) to Columbus for Farmers’ Week. In order to obtain this reduced fare, identification certificate must be obtained from the Extension Director or from your local Farm Bureau. This certificate is needed before ticket can be purchased at your local ticket office. Tickets will be sold from January 26 to February 1, and validated for return trips at Columbus by regular ticket offices of the lines over which tickets read into Columbus from January 30 to February 9. This means that tickets will be good returning until midnight, February 9.

THE FARM BUILDING AND DRAINAGE SHOW is located in the Farm Machinery Laboratory.

THE OHIO STATE CORN AND GRAIN SHOW and the OHIO STATE DAIRY SHOW will be held in the Armory during the entire week. In addition to the competitive exhibits there will be educational exhibits concerning the important agricultural problems of the day, including exhibits of the European Corn Borer, Potato Spraying, Pasture Fertilization, Seed Corn Germination, Cooperative Marketing of Fruit, Livestock, Wool and Dairy Products, Advanced Registry Work and Sanitary Handling of Milk and Cream.

TOUR TO MUSEUMS

A SPECIAL TOUR to the Ohio Archaeological Museum and Ohio Geological Museum, both located on the University Campus, will be conducted by special guides each day at 10 a.m. and 2 p.m., parties to start from Townshend Hall. These museums contain some of the finest collections of their kind in the world. Farmers’ Week visitors are welcome to visit these museums any time between 8 a.m. and 5 p.m.

March 1921

The "Hitching Post" During Farmers' Week
WE'RE HERE FOR FUN
(Tune - "Auld Lang Syne")

We're here for fun
Right from the start
So drop your dignity
Just laugh and sing
With all your heart
And show your loyalty
Let other meetings be forgot
Let this one be the best.
Join in the songs we sing today
Be happy with rest.

THERE ARE SMILES
(Tune - "Smiles")

There are smiles in old Virginia,
There are smiles in Idaho,
And you'll find them down in dear
old Georgia,
And all over Colorado.
There are miles of smiles in
Massachusetts,
And in Michigan and Tennessee;
But the smiles they smile here
in Ohio,
Are the smiles that look good to me.

MARY HAD A SWARM OF BEES

Mary had a swarm of bees, swarm of
bees, swarm of bees,
Mary had a swarm of bees,
And they to save their lives
Were forced to go where Mary went,
Mary went, Mary went,
Were forced to go where Mary went,
For Mary had the hives.

IT'S A SHORT, SHORT LIFE WE LIVE HERE
(Tune - "Long, Long Trail")

It's a short, short life we live here
So let us sing while we may
With a song for every moment
Of the live-long day.
What's the use of looking gloomy
Or what's the use of our tears
When we know a mummy's had no fun
For about three thousand years.

HELLO BILL
(Tune - "Tipperary")

It's a good time to get acquainted
It's a good time to know
All the hustlers and all the live ones
That are here to make things go.
Good-bye, chilly shoulder,
Good-bye, glassy star,
When we all join hands and pull together
We're sure to get there.

AMERICA THE BEAUTIFUL

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain.
America! America!
God shed His grace on thee,
And crown thy good with brotherhood,
From sea to shining sea.

O beautiful for patriot dream
That sees beyond the years
Thine alabaster cities glow
Undimmed by human tears.
America! America!
God shed His grace on thee,
And crown thy good with brotherhood,
From sea to shining sea.

'NEATH THE CRUST OF THE OLD APPLE PIE
(Tune - "Shade of the Old Apple Tree")

'Neath the crust of the old apple pie
There is something for you and for I;
It may be a pin
That the cook has dropped in;
Or, it may be a cute little fly,
Or, it may be a long, rusty nail,
Or, a piece of our pussy-cat's tail;
Buy whatever it be -
It's for you and for me,
'Neath the crust of the old apple pie.
Tune "John Brown's Body"

a. It isn't any trouble just to S - M - I - L - E
   It isn't any trouble just to S - M - I - L - E
   It isn't any trouble it will vanish like a bubble
   If you'll only take the trouble just to S - M - I - L - E.

b. It isn't any trouble to G-R-I-N- Grin
   It isn't any trouble to G-R-I-N- Grin,
   It isn't any trouble it will vanish like a bubble,
   If you'll only take the trouble just to G-R-I-N- Grin.

c. It isn't any trouble just to G-L Giggle E
   It isn't any trouble just to G-L- Giggle -E
   It isn't any trouble it will vanish like a bubble,
   If you'll only take the trouble to G-L- Giggle- E.

d. It isn't any trouble just to L-A-U-G-H
   It isn't any trouble just to L-A-U-G-H
   It isn't any trouble it will vanish like a bubble,
   If you'll only take the trouble to L-A-U-G-H.

   It isn't any trouble it will vanish like a bubble,

CARMEN OHIO

Oh! come, let's sing Ohio's praise
   And songs to Alma Mater raise,
While our hearts, rebounding, thrill
With joy which death alone can still
Summer's heat or Winter's cold,
The Seasons pass, the years will roll
Time and change will surely show
How firm thy friendship O-hi-o.

These jolly days of priceless worth
By far the gladdest days on earth,
Soon will pass and we not know
How dearly we love Ohio
We should strive to keep thy name
Of fair repute and spotless fame
So in College halls we'll grow
To love thee better O-hi-o.
