 Almighty and All-powerful

In the garden of life,

The three become one,

In the bridge of faith.

In the kiss of peace,

In the heart of love,

In the breath of air.

In the dance of laughter,

In the song of joy.

In the tears of love,

In the tears of joy.

In the embrace of friendship,

In the embrace of love.

In the sound of silence,

In the sound of laughter.

In the light of hope,

In the light of faith.

In the darkness of despair,

In the darkness of love.

In the fire of passion,

In the fire of prayer.

In the wind of change,

In the wind of life.

In the sea of tears,

In the sea of joy.

In the sky of hope,

In the sky of faith.

In the earth of life,

In the earth of love.
